Project Management Service including:
 - Standard & bespoke furniture & shelving
 - Space planning & design
 - Delivery schedule

Inspiring refurbishment of school staffroom and library at a secondary School in Dagenham, London.

We were delighted to be involved in the transformation of Goresbrook School's staffroom and library space. The project was managed by our team of professional project managers who worked closely with the school's staff to ensure that the project ran smoothly and to schedule.

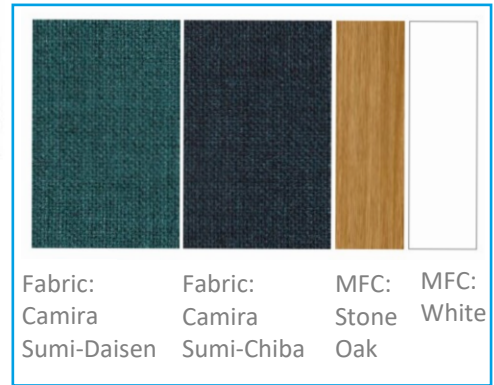

The refurbishment was completed on time and within budget, and we are extremely proud of the finished result. The staffroom now has a relaxed and comfortable feel, and the library is a bright and welcoming space.

The refurbishment has made a huge difference to the

This modular range provides versatility, with clean modern lines for a contemporary look

Collaboration table with an Oak top and white trumpet bases. Partnered with upholstered chairs with oak legs to compliment the table top

atmosphere of the school and has had a positive impact on staff and student morale.

Overview - Staffroom Transformation

Staffrooms are often a busy hub of the school for teachers to prepare lessons, collaborate with colleagues, and take a well-earned break.

The newly refurbished space is bright and airy, with plenty of work space and comfortable seating. The layout has been carefully designed to encourage collaboration, and there is even a dedicated area for making coffee.

We are confident that the new staffroom will be a great asset for the school and that it will benefit the staff for many years to come.

Products specified included:

- Poseur Tables and High Stools
- Credenza and Storage Units
- Pigeonhole Units
- Collaboration Table
- Multi-purpose Cantilever Frame Chairs
- Soft Seating

P.T.O - library refurbishment

Overview - Innovative Library Refurbishment

A well-designed library can inspire a love of learning in students and create a space that is inviting and comfortable. This was our inspiration at Goresbrook. We wanted the new flexible space to be at the heart of the school community, with the overall library refurbishment bringing new life to the entire school.

The results are truly stunning, and the school's students are now enjoying a bright, airy and modern learning environment where they can read, study and socialise. The new library environment is now an integral part of the school, and we are confident it will make a positive contribution to the education for Goresbrook students.

Products specified included:

- Shelving & display units
- Curved seating and shelving
- Mesh back operator chairs
- Soft seating – upholstered rounds & benches
- Multi-purpose round tables
- Coffee tables
- Multi-purpose chairs
- Stacking chairs

Summary

We are proud to have been part of this project and to have helped to create a space that will benefit the school's staff and students for many years to come.

Sitting height counter unit, with acrylic front panel.

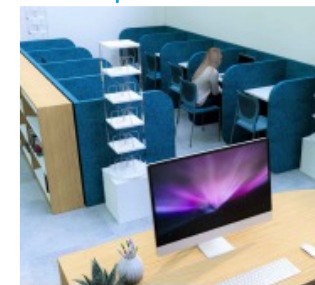

MFC: Oak, White and Petrol

Fabric: Highland Teal & Highland Azura

A mixture of single sided and double sided library shelving units to create a natural flow through the space. Pops of colour have been added to the wow end panels which add to the wow factor.

Studi Range - ideal for maximising space efficiency. Available in a wide choice of configurations to create multiple private study booths.
